

LOBBY RULES

The staff at Bay Square works very hard to ensure that everyone enjoys life here at Bay Square. Please help to make their work a little easier.

First, remember that the concierge staff has a job to do. Of course, you may chat with them if you like, but please keep your visits short and do not monopolize their time.

Second, remember that the lobby also serves as our condominium's reception area, and is the first place that visitors and would-be buyers see when entering the building. As such, we have been advised that we should not allow the lobby or other common areas on the first floor to be used as play or picnic areas.

Unobtrusive, quiet visits are not an issue. Any loud noise in the lobby is potentially disturbing to residents of the first and second floors. So, please be considerate of your neighbors and refrain from making loud noises in the lobby.

Thank you for your cooperation.
